

COMMONWEALTH OF KENTUCY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATIONS OF PUBLIC GAS)	
COMPANY FOR PURCHASED GAS)	CASE NO. 8186-G AND H
ADJUSTMENTS)	

O R D E R

On February 9, 1984, the Commission issued an Order in this case denying Public Gas Company's ("Public's") motion for reconsideration of the Commission's Order of January 6, 1984, which denied Public's request for expedited treatment of this case. In the latter Order, the Commission agreed that Public's request for a hearing date was reasonable and that such a date would be set in the future.

In considering the date for a hearing in this case, the Commission has determined that additional data is required for appropriate review of the purchased gas adjustment requests.

Therefore, the Commission HEREBY ORDERS that the following information be filed with the Commission on or before Wednesday, May 16, 1984.

1. Volumes of natural gas purchased by month for calendar years 1982 and 1983. If gas was purchased from more than one supplier during any of the specified months, indicate each supplier and the volumes purchased from each supplier during each month of dual supply.

2. Natural gas sales by month for calendar years 1982
and 1983.

Done at Frankfort, Kentucky, this 9th day of May, 1984.
